

# REGISTRATION FEES

Get certified to access the space.

## Orientation

**\$50 one time fee**  
**Required of all members**

As part of your initial registration into Launchpad, the Orientation will provide a full review of the Launchpad facility, processes and procedures as well as health and safety guidelines. You will also receive your Fob for accessing the space and studios.

## Studio Training

**Basic training \$75-\$100**  
**Advanced training \$125-\$150**  
**Full Access members only**

Full Access members must complete a basic studio training course for each of their designated studios of interest.

Studio 101 training ensures our members already have a basic working knowledge of the available equipment. Depending on the complexity of your projects and the equipment to be used, you may require more specialized training (Studio 201).
